## *Nanoblading*

Nanoblading is a new eyebrow treatment that has been developed from microblading – the semi permanent treatment that gives fuller, natural looking brows.

Although both Microblading and Nanoblading offer fine hair strokes that look natural, Nanoblading offers more precision and accuracy as it uses ultra-fine nano needles that are closer to the dimensions of real hair resulting in an even more convincing, more natural-looking brow shape and colour. Put simply, it's microblading but with super fine, flexible needles.

Nanoblading first appointment – £250

Nanoblading follow-up appointment – £50

## *Eyelash Treatments*

## ***Hair Reduction***

### **Epil Pro**

A specialised in-salon treatment, Epil Pro harnesses the power of sound energy which travels precisely down the hair shaft, striking and degenerating the papillary cells at the root. This is a gentle and effective method of eradicating unwanted hair progressively. A course of treatments is necessary. For best results we recommend the use of Epil Pro Post Epilation Lotion, available to buy in salon.

Per 15 minute treatment – £16.50

Per 30 minute treatment – £30

Each additional minute – £1

Course of 6 x 15 minute treatments – £82.50

### **Electrolysis**

Electrolysis has been used safely for over 125 years and is still considered an effective method of reducing unwanted hair. The electrolysis process involves inserting a thin metal probe into the hair follicle. Once accomplished, electricity is delivered through the probe to the hair follicle, which as a result causes permanent damage to that area. A course of treatments is necessary.

Per 15 minute treatment – £16.50

Per 30 minute treatment – £30

Each additional minute – £1

Course of 6 x 15 minute treatments – £82.50

### **Advanced Electrolysis**

Advanced Electrolysis is recommended for the removal of skin tags, thread veins and milia, which are small, white or sometimes pale yellow spots that can appear around the eyes, on the cheeks and on the eyelids.

This includes a free consultation and patch test prior to treatment.

Consultation and patch test – Free

Per 20 minute treatment time – £35

## *Waxing*

## *Sunshower Tanning*

For a revolutionary tanning bed, take advantage of our sunshower tanning booths, where you shower and tan all at the same time.

Using a balanced UV light spectrum that's similar to natural sunlight, you can make sure that you look golden brown all year round with a sunshower.

Sessions are charged at £1.10 per minute, or take advantage of our special package sessions.

10 minutes - £10

20 minutes - £18

40 minutes - £34

60 minutes - £50

80 minutes - £64

100 minutes - £75

## *St Tropez Spray Tan*

It's lovely to have a golden tan all year round, and the St Tropez tanning is perfect for long lasting and beautiful tanned skin.

This is a specially formulated treatment to give a sunless tan using a spray via an airbrush. The application is quick, safe and easy and gives a perfect, streakless, natural looking tan.

One treatment will give the skin a healthy looking glow. For a darker tan that will last longer, we suggest having two applications 2-3 days apart. This will last an average of 5-7 days longer than having a single application. Perfect if you need the tan to last a few weeks.

*For best results, follow the aftercare guidelines for maintaining your tan.*

Single application - £33

Double application  
(to be taken within five days of the first one) - £49
